

Saint Mary School

A Mission of Our Lady of Peace Parish

MISSION STATEMENT

Saint Mary School pursues academic excellence, builds a foundation for spiritual growth and cultivates the values rooted in our Catholic heritage and Marian identity.

We teach and inspire our students as they discover and develop their talents, enabling them to attain their God-given potential.

In turn, they contribute to a vibrant parish and community now and in the future.

Messages From

Dear Friends of St. Mary's School:

As you know, last year we set up our annual St. Mary's School Fund. This fund helps support St. Mary's School and its Mission, "St. Mary's School pursues academic excellence, builds a foundation for Spiritual growth, and cultivates the values rooted in our Catholic heritage and Marian identity. We teach and inspire our students as they discover and develop their talents, enabling them to attain their God-given potential. In turn, they contribute to a vibrant parish and community now and in the future."

Tuition only covers 75% of the school's annual expense. All donations from the Annual Fund will offset operating expenses at the school.

I would like to thank you for your generosity shown to St. Mary's School Annual Fund. Your gift will help promote our school's vision and mission for years to come. Please know that I will keep you and your family in my prayers.

Sincerely in Christ,

Rev. Cadmus D. Mazzarella
Pastor

Dear Friends and Supporters of St. Mary School:

On behalf of the St. Mary School Board and our many School Board Sub-Committees, I sincerely thank everyone who contributed to the success of our First Annual Fund Campaign.

The 2009–2010 St. Mary School year was special in so many ways . . . we celebrated our 60th anniversary as a highly respected learning institution; we developed a new school mission statement and motto; and we received a tremendous response to the launch of an Annual Fund Campaign to support our school.

It was a bit overwhelming to witness firsthand the generosity of our families, parishioners, alumni, friends and businesses who continue to contribute their time, talent and treasures. Your continued support to keep St. Mary School vibrant and viable, especially during these difficult economic times, is a source of great pride to all of us. Your contributions help to keep our tuition costs down while maintaining the excellent academic and spiritual education all of our children receive and what we have fortunately come to expect at St. Mary School.

I also want to thank our Advancement Department and the Advancement Sub-Committee for bringing our annual fund to fruition. These dedicated folks worked tirelessly and their enthusiastic support meant so much in realizing our achievements.

Thank you again for your initial contribution to the Annual Fund, and with God's blessings, we hope you will continue your support so that our students can continue "Learning and Living in Christ" for another 60 years and more.

Most sincerely,

Christopher Krawice
St. Mary School Board Chair, 2009–2010

Dear Friends:

Thank you for generously embracing St. Mary School. God's grace is truly manifested in your vision, commitment and support. Our students, staff and families are blessed by your abundant gifts of time, talent, and treasure.

Throughout the year, all of us were challenged to experience God's grace through the virtues of compassion, gratitude, patience and respect. While celebrating the 60th Anniversary of St. Mary School, we recognized those families, who throughout the years have supported our school with their presence and generosity. The events of the celebration of the Sacraments of Confirmation, Reconciliation and First Eucharist were significant moments for many families.

Through the leadership of Jeneen Iarrobino, our PTA was actively involved in friend and fundraising efforts, always looking for ways to strengthen the school community. With the guidance and enthusiasm of Jackie Kern, our Advancement Director, and the parent class representatives and advancement committee, the Annual Fund raised significant dollars to augment our technology program, facility improvements, the Science lab, and the HOT Program.

Mrs. Whittaker and I are most grateful to you for reflecting God's goodness and grace to our students and staff. May God bless you for staying faithful to SMS and helping us grow! It is through the continued support of our parents, parishioners, grandparents, alumni, staff and friends that we are able to live the mission and vision of St. Mary School.

With much gratitude,

Ms. Judith McBride
Principal

Needs Supported by 2009-2010 Annual Fund

The Advancement Office is proud to acknowledge the success of the first St. Mary School 2009-2010 Annual Fund which raised more than \$37,000 with over 200 donors in support of the mission of St. Mary School. We are grateful for the approximately 30% of our parents who contributed to the Annual Fund. Donations were also received from our school board, faculty and staff, alumni, grandparents, parishioners and friends. We also had some of our school families designate their donations in memory of a loved one. We are truly grateful for all of the thoughtful donations we have received.

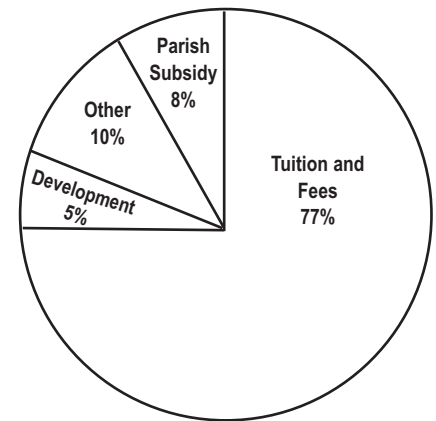

Because of the generosity of our donors, St. Mary School has been able to support a number of needs indicated at the start of the 2009-2010 Annual Fund Appeal. These needs include:

◆ Building Student Programs

The Computer Explorer Program began to fully prepare our students for 21st Century Learning. This program uses an Integrated Technology Resource Plan which ensures all students develop skills in basic computer operation while offering students the opportunity to merge their computer skills into core curriculum areas. This program also develops skills in robotics and engineering.

♦ The H.O.T. Program

Higher Order Thinking Program was also introduced this year. The H.O.T. Program ensures that St. Mary School fully challenges and encourages the achievement of all its students. It serves students, from kindergarten to grade 8, who demonstrate the ability for advanced work in various curriculum areas. *In its first year, 39 students participated in the H.O.T. Program.*

♦ Technology

St. Mary School implemented a Jennings Technology networking and rewiring project for our school computers. St. Mary's was able to install a new back up school computer server with disaster recovery programs. *The cost of this project was \$31,359.70.*

♦ New Science Lab Resources

Our Science Lab received new tables this year. The use of the science lab encourages hands-on problem solving skills and exploration for our students. This is an opportunity that prepares our students for ongoing success in high school science programs. *The cost of the tables was \$3,046.00.*

♦ Facility Improvements

St. Mary School replaced carpeting in classrooms and hallways as well as three cafeteria tables. Two classrooms received new desks and chairs. A new student water cooler filtration system was put in place along with a new drainage system to prevent classroom water leaks. These physical improvements are a way for us to offer an atmosphere that promotes learning. *The cost of these improvements total \$42,163.91*

2009-2010 Annual Fund Donors

PARTICIPATION LEVELS

Our Lady's Society – \$10,000 and above
Blue and White – \$5,000 to \$9,999

St. Mary School Achievements 2009-2010

St. Mary School Celebrates its 60th Anniversary

St. Mary School held a 60th Anniversary Mass and Communion Breakfast in October. Close to 150 people came out to celebrate this great milestone including, alumni, past and present clergy, families and faculty, and parishioners. Senator Fred Madden also attended and read a resolution honoring our 60th anniversary.

Congratulations to all of our honorees. They are: Ann Wade, faculty; Denise Adams, alumni; Frank Broomell, alumni; Christine Budniak, alumni and faculty; Erin Hagney, alumni and faculty; Judith McBride, Principal, Saint Mary School; Erika Nolan-Fischer, alumni; Diane Penney, faculty; Hank Saia, staff; Kathy Simon, alumni; Maryann Wilkins, alumni; and in special memory, former vice principal, Connie Gledhill.

Class of 2010

St. Mary School graduated 59 students in June. These students will attend a variety of high schools in September of 2010. These high schools include: Paul VI, St. Joseph's, Bishop Eustace, St. Augustine Prep, Our Lady of Mercy Academy, Gloucester County Institute of Technology, Camden County Institute of Technology, Williamstown High School, Washington Township High School and Shawnee High School.

- ♦ Robert Mason was awarded the \$24,000 Byerley Foundation Scholarship for Paul VI High School. Robert will receive \$6,000 per year.
- ♦ Adwoa Nantwi received a \$1,000 scholarship to St. Joseph's High School in Hammonton.
- ♦ Tyler Diorio was selected the recipient of the Paul VI High School's Montini Scholarship.

- ♦ Alex Bruce won the Knights of Columbus state-wide spelling bee.
- ♦ Eleven members of the Class of 2010 marked a special milestone during this year's commencement celebration. These students were members of the first St. Mary Preschool class when it opened in September 2000.

Academics

- ♦ For the St. Mary School Middle States reaccreditation project, we began the system "Strengthening Our Academic Community Through a School Wide House System." In this system, each grade from Pre-K through grade eight, selected a patron saint that would become the House Patron. These House Saints will move up with each class. Students are able to earn points for individual accomplishments or for the entire house. This project helps foster a spirit of pride in our school, academics, in self and respect of others in our students. In addition, the individual houses in specific areas that are inspired by the virtues and qualities of the house patron, will promote their area of service.
- ♦ St. Mary School had a composite score of 87% in the IOWA Test of Basic Skills. This means that St. Mary School scored better than 87% of the other schools taking the same test at the same time. The IOWA test is given each year to students in grades 3 to 8. It is a nationally standardized test used throughout the country to measure the achievement of individual students and our school.
- ♦ St. Mary School was awarded the Nonpublic Program School Award by Gloucester County Special Services School District (GCSSSD). The school was honored because of our outstanding commitment to education and supportive approach that has fostered students' successes. Principal Judith McBride, vice principal Claire Whittaker, and school staff were honored at a celebration at Gloucester County Institute of Technology.
- ♦ St. Mary student Molly Gilkin, 9, was awarded the Nonpublic Speech-Language Program Award given by Gloucester County Special Services School District (GCSSSD).
- ♦ Our eighth grade students participated in the St. Augustine Preparatory School Academic Bowl and the St. Joseph High School Junior United Nations event.

St. Mary School Achievements 2009-2010

Athletics

- ◆ The varsity girls volleyball team won the South Jersey Catholic Girls Volleyball League Championship for the third year in a row.
- ◆ The varsity boys baseball team won the BGSS Baseball Conference Championship against Our Lady of Hope with a score 6-2. St. Mary's finished the season with a 12-2 record.
- ◆ The varsity cheerleading team won back to back years and are now the reigning GCCAL Champions.
- ◆ The JV cheerleading team had an undefeated competition season and won first place in the GCCAL JV Division.
- ◆ Thirty-five varsity and junior varsity cheerleaders were invited to be VIP guest audience members at Good Morning America. They performed cheers during commercial breaks and had the opportunity to meet the hosts and guests following the show.
- ◆ Track members Sydney Gans, Gabby McGlynn, Kelly Guglielmo and Jill Farrell took first place in the 4 X 100 at the Track Meet of Champions.
- ◆ The senior girls track members were in the Penn Relays in April and came in 6th place at 59 seconds.

Extracurricular

- ◆ The chess club participated in the Ambassador Christian Annual Chess Tournament. Our club members in the different age categories achieved many first, second and third place medals.

Arts

- ◆ St. Mary School "actors" and members of the stage crew performed *Willy Wonka Jr.* This is the fifth musical the Performing Arts Club has presented since it began in 2006.

Community

- ◆ Our students reached out to help and thank others in local, national, and international communities. During the school year, St. Mary School students collected items such as baby products that were sent to Haiti as well as a local women's shelter, animal items for the Gloucester County Animal Shelter, and candy for soldiers overseas. They also wrote thank you cards for those who helped clean our church and wrote letters to soldiers. This community service was part of St. Mary School Saint House System and our World Crusaders Club.
- ◆ All the students from kindergarten through eighth grade marked International Day of Peace on September 21st by making Pinwheels for Peace. The students placed hundreds of handmade pinwheels expressing their thoughts in words and drawings about peace around the school buildings. Their efforts were also recognized with photos in the *Catholic Star Herald*, *The Philadelphia Inquirer*, and the *Gloucester County Times*.
- ◆ St. Mary School third graders as well as members of the school's TV crew participated in the CBS 3's Weather Wednesday, a live weather segment where a weather-caster visits local schools and goes live during Talk Philly seen at noon on CBS 3.

Please help us spread the word about our School

Join the Saint Mary School Alumni Association Board

In 2010 we hope to expand the work of The SMS Alumni Association Board and we need your help! If you are a graduate of Saint Mary School and are interested in helping to reach out to fellow Alumni and to help guide the Alumni Association we would like to speak to you.

The position will involve working on issues such as how/when to hold reunions, how to reach out to alumni not in the current database, and other ways to facilitate alumni involvement. The Board will meet 2 to 4 times per year, and be supported administratively by the Advancement Office. The first meeting to plan the 2011 Summer Reunion at the Beach and other Association events will be held later this year.

To join the Board, or offer suggestions for upcoming activities please contact Jackie Kern at advancementoffice@smarys.org or call 856.629.6190 ext 34.
