Dear Parents and Guardians,

Recently, a letter was sent home from Father Mazz and Mrs. Mancuso regarding the tuition rates for the 2015-2016 school year. Although it is never good news to hear about cost increases that effect the family budget, I can tell you that these rates were closely reviewed and scrutinized by the members of the St. Mary's School Board. These rates as presented, are derived from a hard look at expected expenses and projected enrollment numbers. We believe that the school administration and faculty continually engage in many cost saving endeavors which results in a very efficient operation of our school.

Just as our household expenses increase each year, the expenses to provide a quality Catholic education at a first rate school are subject to the same types of increases. The St. Mary's School Board concurs with Father Mazz and Mrs. Mancuso that the tuition rates presented in their letter are necessary to allow St. Mary School to continue to operate at the high level that we have come to expect. Even with these rates, the tuition does not cover the full cost to educate a student at St. Mary School. We have been very fortunate that Our Lady of Peace Parish has again contributed significant resources to the school's budget. In addition to the investment from the Parish, we are thankful for the fundraising efforts of the Advancement Office and the PTA which also helps to close this gap. These contributions are an important factor in helping to limit the amount of tuition increase.

Speaking for the Board, I just wanted to reinforce to all parents and guardians that significant and thoughtful consideration has gone into the development of the school's budgeting process which resulted in the tuition rates for next school year. I would also like to thank the full school community for their support, both financially and through their significant volunteer efforts . We recognize and appreciate your commitment to the investment in your student's Catholic education.

With grateful appreciation,

John Ward, Chair

St. Mary School Board

LET'S GO CRAZY.....FOR SOCKS!!!!

For 2015's Catholic School Week, we will celebrate our students on Thursday January 29th with "Crazy Sock Day".

For those less fortunate than us, this time of year is far less festive. Many are cold on these frigid winter days.

As a community service project, the St. Mary Ministry of Student Leadership will be collecting socks for those in need starting now through Catholic School Week.

Thank you in advance for helping this worthy cause,

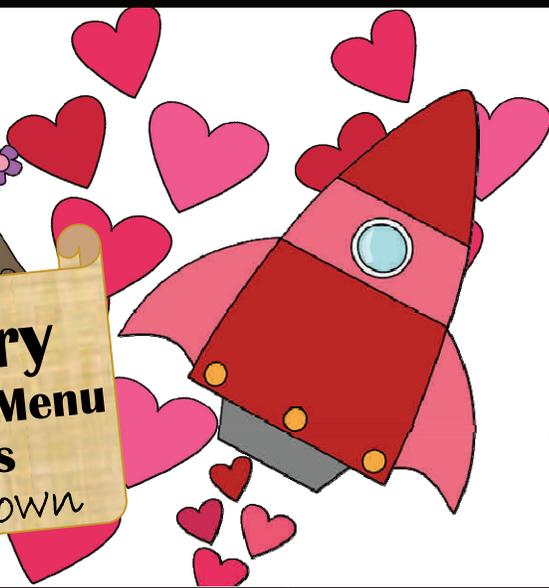

Mrs. Cole, Mrs. Fallon, and Mrs. Huttemann and
the 2015 St. Mary Ministry of Student Leadership
Executive Board and class representatives

DIOCESE OF CAMDEN
Office of Child and Youth Protection

We can be sure that we love God's children when we love God and do what he has commanded. 1 John 5:2

The Office of Child and Youth Protection is announcing CAP (Child Assault Prevention) sessions. CAP is the safe environment training program for adults who have regular contact with minors. Attendance is required in order to comply with the USCCB's *Charter for the Protection of Children and Young People*. The policy of the Diocese of Camden is that adults will attend CAP once every five years.

CAP 1 teaches attendees to recognize child abuse and neglect and how to report to the proper authorities. Adults are taught that children have the right to be safe, strong and free. CAP 1 is for new volunteers and employees.

CAP 2 is called *No More Bullies, No More Victims* and is a workshop addressing bullying awareness and bullying prevention. Cyber-bullying is also presented.

CAP 3 is called *Cyber-Empowerment* and is a workshop which promotes adults understanding of cyber activity of youth while teaching them realistic ways to help children keep their own rights and guard the rights of others in the cyber-sphere.

Each presentation is 90 minutes.

Adults who are new employees or volunteers should attend CAP 1 before attending CAP 2 or CAP 3. After five years, adults have the option of attending CAP 1 or 2 again if they prefer.

The following sessions will be offered in **February**:

St. Mary School Helps Overseas Military Families

Dear St. Mary School Families,

Thank you so much for sending in your expired coupons for our overseas military families. We are once again participating in this program.

You can help our overseas military families save money by collecting expired and unwanted manufactures' coupons.

Did you know that overseas military members can use expired coupons up to six months past their expiration date? Military families stationed overseas are often living on one income and money can be scarce.

Please join St. Mary School and the World Crusaders Club by donating your expired and unwanted manufactures' coupons to support our troops.

You can send in the coupons as often as you want beginning now. They will be collected once every other month and mailed to the families. Our first mailing will go out in November. Please mark any bags of coupons that come in with your child's name and classroom.

Thank You!!!
