

June 14, 2016

Dear Parents and Guardians,

Another wonderful year has gone by! We have had many ups and downs but thanks to your support and the guidance of the teachers, our students have grown academically and have grown in their faith as well. Friday we end our school year with a prayer service followed by an academic assembly. We will begin at 9AM in the church.

Congratulations to our kindergarten and preschool students who celebrated their closing ceremonies last week. What a treat to see what they have learned throughout the year!

Cornerstone accounts for parents will be suspended on June 30th. Please print your child's report card prior to this date. This summer we will be transitioning to RenWeb Student Information System which will take the place of Cornerstone.

The summer months will be filled with work preparing for the new school year. To enhance our academics we continue to update our textbook series. Throughout the summer, several of our teachers will be working in conjunction with other teachers in the diocese on the continuation of an updated Language Arts curriculum. Painting and cleaning will take place in our building after the carnival!

Required paperwork for students to participate in our sports program can be found on the front page of our website. All athletes must turn in mandatory documents in order to be eligible to participate. Paperwork must be filled out for each sport your child plays. All coaches must be fingerprinted, CAP certified, and trained in the use of EPI Pens and the AED.

Our summer newsletter will be posted in the beginning of August. This will contain information regarding the first few weeks of school. Class lists will be available at the end of summer. Please know that our teachers take much time in determining class placement for each student. Requests have been considered but are not guaranteed. As mentioned in my letter last week, requests for class placement will no longer be accepted. Our teachers will be sending home math practice work for the summer. Please encourage your child to use the textbook online. There are a variety of games that review basic math facts (addition, subtraction, multiplication and division). The book also offers a math tutor to practice concepts. This will ensure that your child is ready for the new school year!

Thank you for all the wonderful treats you have been sending in to us! The faculty and staff wish you a peaceful, safe summer. You will be remembered in our prayers. Hope to see you at the carnival!

God Bless!
Mrs. Mancuso

Saint Mary School

2016-2017 School Year

Tuition Policy/Financial Matters

Parents/guardians are obligated to pay tuition in order to obtain educational services for their children. It is the parent's/guardian's responsibility to maintain their financial commitments to the school. In the event of a financial hardship resulting in non-payment, you must contact the principal. The school may, but is not obligated to, send reminders or other notices regarding outstanding bills. Failure to make payments when due, or to make arrangements with the school for payment of delinquent obligations, may result in the termination of Cornerstone or discontinuation of educational services to your child, possibly leading to disenrollment. In those cases where students are in eighth grade, documents including transcripts and diplomas will not be provided if you have a delinquent balance with the school. All present year tuition must be paid in full before the last day of the school year or the student's placement for the upcoming school year will not be guaranteed. Unpaid bills may be referred to a collection agency. Costs associated with the collection will be added to the parent/guardian fees. There is no tuition responsibility for withdraw prior to June 30th for the upcoming school year. For withdraws after July 1, please see policy on next page..

Tuition payments are collected monthly through FACTS Tuition Management Services. Tuition is paid by automatic deduction from either your checking or savings account. FACTS will also accept payments using MasterCard, Discover or American Express. Please note there is a 2.5% convenience fee charged to the credit card holder. Confidentiality of all account information is guaranteed. Payments are deducted on the 5th or the 17th of each month beginning in July and ending in April. A late fee of \$30.00 will be assessed to your account if any payment is not received within 10 days from the payment due date. FACTS will charge a \$30.00 failed payment fee for any attempt that fails AND they will make a total of three attempts. New admissions during school year will be required to spread their payments over remaining months through April. All initial questions regarding the FACTS Tuition Program should be made to Mary Baron (629-6190 ext.21) in the Finance Office.

Tuition may also be paid in full through **FACTS Tuition only** and payment is expected before June 15th for the next school year. A late fee will be assessed if payment is not received by June 30th.

Tuition Assistance: Applications for tuition assistance must be done on-line only through FACTS. There is a \$15 non-refundable application fee to FACTS to apply for assistance.

Tuition Refund Policy

Grades K-8 Refund Policy

In the event of a student leaving St. Mary School during the year, prepaid tuition is refundable to the family or unpaid tuition is due to the school, according to the following schedule. There is no tuition responsibility for withdraw prior to June 30th for the upcoming school year. For withdraws after July 1st, please see policy below.

Withdraw/Transfer Prior to:	% Annual Tuition Refundable	% Annual Tuition Owed

January 1	40%	60%
February 1	30%	70%
March 1	20%	80%
April 1	0%	100%

If there is a change in the number of days a student is enrolled in preschool, the new tuition rate will become effective on the first of the month following the change. There will be no refunds of prior monies paid or increases in the month of change.

Note: For K-8 and Pre-School, registration and other fees are due regardless of date of enrollment.

Tuition Rates are determined by the Finance Committee based on information provided by the Diocesan Office. There is a Catholic and Non-Catholic tuition rate. The definition of each category is below:

Catholic: Parent/Guardian must be registered in a Catholic parish and the child must have a valid Baptismal certificate.

Non-Catholic: Religion other than Catholic. Greek Orthodox will be considered Non-Catholic. Children must still participate in Religion classes and participate in Liturgical events. Non-Catholic students participate in sacramental classes but are not eligible to make the sacrament.

St. Mary School Scrip Program

St. Mary School Families,

After many years of service to the SMS Scrip Program, Donna Broomell will be finishing up this month and handing the program over to me. For those who do not know me, my name is Christine Eberhardt. As of September 2016, I will have 3 boys at SMS. My youngest Owen will be starting kindergarten; who will join Connor who will be in 2nd grade and Aidan who will be in 4th grade. My family has been a part of the SMS community since 2010, when Aidan started preschool. I have been using the Scrip Program for many years and look forward to my new position as Scrip Coordinator.

I will be available throughout the summer. Please feel free to contact me if you have any questions about the program or would like to place an order. You can call, email, or text! I will be able to meet you at school, during summer hours. Tuesday, Wednesday, or Thursdays from 9am-12pm.

Thank you for supporting the St. Mary Scrip Program! I look forward to helping you with you Scrip orders soon! Have a blessed summer!

May 2016

Dear St. Mary School Family,

For over 60 years, St. Mary School has provided a quality Catholic education for young people in our community. We now educate close to 600 students each year in our preschool through eighth grade.

In order to continue to prepare our young people for high school, college, and beyond our school has sought to expand the educational resources and activities provided to our students. We are accomplishing this through the efforts of our **St. Mary School Annual Fund**. Gifts in support of the St. Mary School Annual Fund are used for programs that allow us to carry on our mission and motto of ***Learning and Living in Christ***.

This year, we are **raising funds for supplemental materials to enhance our math and language arts curriculum, additional technology resources, hands on equipment for our science lab, professional development for our teachers, classroom furniture, and other essential educational needs in order to continue to provide a quality education for our students.** Attached please find our 2014-2015 Annual Report, along with a donation form. The 2013-2014 Annual Report is available on our website, www.smarys.org under Giving.

The St. Mary School Annual Fund is...*pursuing academic excellence!*

The support of the St. Mary School Annual Fund allows us to teach and inspire our students as they discover and develop their talents, enabling them to attain their God-given potential. The Annual Fund provides opportunities for development and enhancement of curriculum and academic programs, supplemental resources, and up-to-date technology as well as faculty and staff enrichment. Your gift will help our students develop the necessary skills to succeed now, in high school and beyond.

The St. Mary School Annual Fund is...*building a foundation for spiritual growth!*

St. Mary School is enriched by Catholic tradition and lived Gospel values and is enhanced by the celebration of liturgy, sacraments and prayer. St. Mary School further develops the children's knowledge and practice of their faith and guides them to serve others through their use of their gifts and talents.

The St. Mary School Annual Fund is...*cultivating values rooted in our Catholic heritage!*

Students of St. Mary School are provided the opportunity to unite with others through service projects and outreach programs which contributes to a vibrant parish and community now and in the future.

The Annual Fund is critical to support our students, faculty, programs and facilities that are used on a daily basis by our entire parish community. I am offering you the opportunity to join with me, our faculty, staff and school board in supporting our **2015-2016** St. Mary School Annual Fund. Our goal this year is **\$65,000**.

I invite you to join us in showing your commitment to the future of St. Mary School and to please consider St. Mary School among your family's philanthropic priorities. Every gift is meaningful and your participation **does make a difference**. On behalf of our school community and especially our children, thank you for helping us carry on our mission and motto of ***Learning and Living in Christ***.

Gratefully,

Mrs. Patricia Mancuso
Principal

P.S.: Please remember you may make your donation on-line by going on our website at www.smarys.org. All donations are tax-deductible and don't forget to ask if your company offers a matching gift.
