

January 16, 2018

Dear Parents and Guardians,

Our Catholic Schools Week agenda is in our on line Communication Folder. Our week begins with a great big thank you to Our Lady of Peace Parish for their consistent support of our school. We are asking for student volunteers to participate in each weekend mass (January 27th and 28th). Please see the on line Communication Folder for the sign- up sheet and send it in by tomorrow. Also note that our Open House for parents and grandparents is on a Thursday morning this year.

Re-registration for the 18-19 school year is underway! For our planning, we ask that all students be reregistered by January 31st. This will provide us with information needed as we schedule recruitment events. Remember that the best form of promoting our school is word of mouth...tell your family and friends about St. Mary! Have them schedule a tour or attend an open house!

Each morning we pray for school families as indicated on the Prayer Calendar in our on line communication folder. You are welcome to send us special intentions as well. The prayers of our children are very powerful!

God Bless,

Mrs. Mancuso

A reminder: As you know each year at this time we are in the process of admitting new students to St. Mary School. This process involves a number of various details. Foremost, is determining available space in each classroom. For those families who have not re-registered your child/ren, please do so on or before Wednesday, January 31st. Your prompt response to this request is appreciated.

Please remember if you need to register any new students in Preschool, Kindergarten or grades 1st – 7th our registration is scheduled for Wednesday, January 31st from 8:45 am – 10:45 am in the Science Lab, 1:00 pm – 2:00 pm and 6:30 pm – 8:00 pm in the Science Lab.

Dear Parent/Guardians,

Catholic Schools Week will soon be upon us! We would like to begin the week long celebration by thanking the parishioners of Our Lady of Peace Parish on Saturday, January 27th and Sunday, January 28th. We are looking for student volunteers for each mass. There will also be a faculty member assigned to each mass to assist the student volunteers.

Your child may be asked to help by acting as a greeter, walk in the entrance procession, join in the offertory procession or distribute bulletins at the end of mass. We are going to have representatives from our many clubs/activities participate as well. We hope that you and your family will be available that weekend.

If this is a possibility for your family, please sign the bottom of this form and return it to school. Because so many students will want to be involved, we ask that you commit to the time you choose below. Students who are participating as well as those who choose not to have a specific task are asked to wear their school uniform to all the masses that weekend to represent SMS. Please return the form below by **tomorrow**. We will be organizing the masses and will be in touch with you the following week regarding your child's responsibilities for the mass.

Sincerely,
Catholic Schools Week Committee

January 16, 2018

Dear Parents/Guardians,

On behalf of the SMS School Board we are happy to continue with the 4th Annual St. Mary's Science Exhibit. We are inviting our students to participate in a project based activity that supports the educational goals of the school. Science, technology, and research are three key areas that our students continue to learn more about on a day to day basis and will remain at the forefront of their schooling as they move well beyond St. Mary's School. This will prove to be exciting an opportunity for all of our students!

We are opening this opportunity up to the students in two ways. Our K-3 students will be completing their Science Exhibit entry during the school day and will submit one per class to display on the night of the Exhibit. For students in Grades 4-8, we are asking any interested students to sign up to complete an individual project or two students may work together who are in the same grade level. This is *optional* and only students wishing to participate should sign up. The Science Exhibit will be held the evening of **Wednesday, April 11, 2018** in Assumption Hall. Students who are interested in participating will need to submit their projects on the morning of **Tuesday, April 10, 2018**. Please sign and return the permission slip below by **Wednesday, January 31, 2018** if your child is interested in participating.

Below is some helpful information for 4th-8th grade students who are interested in participating. There will be more information/guidance to come via the Communication Folder.

- Projects should be driven by student interest.
- All projects will need to be presented using the scientific method.
- All projects will need to be displayed on a presentation board that you can purchase at any local office supply store.
- The 4th-8th grade students will be provided with feedback on their projects by judges who work in the fields of Science and Technology.

If you have any questions about the Science Exhibit, please feel free to reach out to School Board Member Fernandez Massenberg fmassenberg27@gmail.com

Thank you,

The SMS School Board

CAP 2 is called **CAP's Bullying Prevention Program** and is a workshop addressing bullying awareness and bullying prevention. Cyber-bullying is also presented.

CAP 3 is called **Cyber-Empowerment** and is a workshop which promotes adults understanding of cyber activity of youth while teaching them realistic ways to help children keep their own rights and guard the rights of others in the cyber-sphere.

Each presentation is 90 minutes.

Adults who are new employees or volunteers should attend CAP 1 before attending CAP 2 or CAP 3. After five years, adults have the option of attending CAP 1, 2 or 3 when they renew their CAP.
