

**NUTRI-SERVE**  
FOOD MANAGEMENT, INC.

## **Attention Families!**

On September 3, 2020, the United States Department of Agriculture (USDA) in conjunction with the state of NJ elected to allow **FREE MEALS to all students 18 and under** through December 31, 2020.

Nutri-Serve meals are **CONVENIENT** for families as we offer a **HEALTHY VARIETY** of menu items requiring minimal preparation. These are challenging times for all of us and we hope access to **FREE MEALS** *through the National School Lunch programs* will make feeding your family easier.
